

Marine Grade Stainless Steel Pegs – Fundraiser

Onewhero Area School has been selected to participate in the 5 Day Spirit Trophy held by the Spirit of Adventure Trust from 19-24 November 2021.

The Spirit Trophy voyages are an amazing experience offered to only a small number of Year 10 students nationally. Schools from around the country send teams of ten, Year 10 students to compete against three other schools for bragging rights of winning the Spirit Trophy – help us bring this to Onewhero School!

How can you help?

We are running multiple fundraisers between now and 01 November 2021 to raise the \$12,000 required to send the team, your support is greatly appreciated!

To help us fundraise we are selling **Marine Grade Stainless Steel Pegs**

- There are 18 pegs per pack
- 10 year guarantee – these are durable pegs! They will not rust or break easily like the plastic and wooden ones do.
- Resistant to salty breeze - Perfect for coastal washing lines.
- Pegs are 6cm high and 0.2cm thick
- Low cost at \$22 per pack
